

### BASIC AND CLINICAL SCIENCE COURSE (BCSC) 2011-2012

For over 60 years, the BCSC has been the core of the curriculum in ophthalmology residency programmes and a definitive source of up-to-date clinical knowledge for practitioners. Continually updated by a faculty of leading ophthalmologists in academia and practice, the BCSC draws on a solid foundation of scientific research and clinical experience. Every year, the entire BCSC is updated and a number of sections undergo a major revision.

For the 2011-2012 edition, revised sections are:

- > Section 4: Ophthalmic Pathology and Intraocular Tumours
- > Section 7: Orbit, Eyelids, and Lacrimal System
- > Section 9: Intraocular Inflammation and Uveitis
- > Section 13: Refractive Surgery

BCSC is sold as a 13 volume set, or as individual sections.

#### 2011-2012 Basic and Clinical Science Course (BCSC)

#### BASIC PRINCIPLES OF OPHTHALMIC SURGERY, SECOND EDITION

*Edited by Thomas A. Oetting*

Jul 2011 280pp 978-1-61525-231-2  
Paperback £98.95 / €110.00

Introduces the resident to key concepts and elements in the realm of ophthalmic surgery. It covers patient selection and preparations for both patient and surgeon, as well as surgical instrumentation and materials. Eight specific aspects of surgery, from aseptic technique to wound construction, are thoroughly reviewed.

There is also a section devoted to postoperative considerations related to dressings, the healing process and postoperative management. Two new chapters on the principles of lasers and ergonomics have been added.

#### COMPLICATIONS DURING CATARACT SURGERY

##### Thermal Injury, Iris Prolapse, Choroidal Hemorrhage, and Dropped Nucleus

*Edited by Robert H. Osher*

Jan 2012 978-1-61525-279-4 DVD £165.00 + VAT / €180.00 + VAT

This new DVD addresses several major and often difficult intraoperative complications in cataract surgery. Robert Osher walks through each intraoperative problem, identifying common warning signs, pinpointing surgical misuses, demonstrating rescue strategies, and offering his deft surgical expertise throughout.
